## THE BEASTMASTER'S SLAVE

As a reluctant favor to her parents, and because it aroused her suspicions, Maura agreed to check out the link between the suicides and the owner of Noir. She got far more than she bargained for.

## BLESS THE BEASTS

Claire is more confused and uneasy about the apparent interest of her new neighbor, Sarik, than flattered. He may be the epitome of every female's desires from eight to eighty, but she knows damned well the same couldn't be said for her in relation to men. As suspicious as she is that his motives have nothing to do with a real attraction to her, though, she discovers she's completely unable to resist his allure.

## SUMMONING THE BEAST

Having exhausted every avenue open to her in her quest to save her mother's life, Cara resorts to the unorthodox. She never really believed in the occult, however, and therein lies her problem. A believer wouldn't have been as careless and left herself wide open to the wiles of an incubus like Baelin!
